### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The claims in this application have been allowed because the prior art does not disclose an aircraft including, *inter alia*, a main body and primary and secondary lifting mechanisms connected to the main body in tandem order, with both lifting mechanisms able to be tilted in forward, rearward, and lateral directions relative to the main body of the aircraft by virtue of tilt-enabling joints.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

This case is being passed to issue with allowed claims 1, 2, 13-16, 3-6, 17, 18, 7-11, 19, 20, 12, 21, 22, renumbered as claims 1-22 respectively.
